EPA environmental justice update and discussion on May 17, 2023 at 3:00-4:30 pm

I invite you all to join me and a few members of my leadership team and Children's Health Environmental Justice and Equity (CHEJE) Office for an update and discussion about EPA's work on environmental justice in Colorado.

This meeting is to discuss recent EPA and Administration actions/guidance on EJ. We also want to hear any feedback or concerns that you all may have. And if possible, we will have someone from our Enforcement Office discuss national EJ enforcement priorities.

In addition to this regional meeting, I would like to highlight the related National Environmental Justice Community Engagement Call taking place the day before we meet on May 16th, 2023 from 2PM to 4PM (Eastern Time) (Registration Link: <https://www.eventbrite.com/e/epa-natl-environmental-justice-community-engagement-call-may-162023-registration-626232577497>).

I am trying to keep it to one or two people from each organization; however, if you think others should be invited, please email me their names before inviting them directly. Also, we cannot discuss anything currently in litigation at this meeting.

If you have any questions please reach out to David Dorian, Region 8's Children's Health and Environmental Justice and Equity Branch Manager at dorian.david.i@epa.gov.
